

2019 Fusion Retreat Scholarship Application

What You Need to Know

1. The maximum scholarship available is \$100. The total retreat cost is \$179.
2. Scholarships are work-based. **You are required to give back 1 hour of volunteer time for every \$10** of scholarship received. When you work off your hours, we ask that your hours be above and beyond any ways you already serve at the church. For instance, if you already serve with CA Students or you lead a Life Group or volunteer at Kids Church, those hours would not count toward your scholarship. All hours must be committed to when turning in this request and must be completed by December 31, 2019.
3. Scholarships are awarded as funds are available. We *cannot* guarantee that you will receive a scholarship.
4. Once you are notified that you have received a scholarship, you will need to register for the retreat and pay \$79 in order to secure your spot at the retreat. Any remaining balance on your retreat registration is due by Nov 1. Register online at <https://cafusion.com/retreat/>
