

Jesus Isn't Distant: Week 5

Speaker: Bo Flores

Below are some study questions that will help you and your Life Group dig deeper into part 5 of the Jesus Isn't Distant series. We've included plenty of questions, but feel free to use just a few or to choose whichever questions best fit your group.

Bible Questions:

1. Ask group members to read **Isaiah 11:1-11**. Give them a few minutes with the passage and then ask them to share anything that stands out to them.

Application Questions:

2. The Spirit was poured out on Los Angeles in 1906. What is your understanding or experience of the Spirit being poured out?
3. God is using his committed followers to change the world. What can God do with a single life or a small group who choose to pray, seek God, and be on mission together?
4. How do you see God building his kingdom and moving the mission forward today?
5. How can God use you in your daily life to bring his kingdom to our city?

Closing & Prayer: [set aside 10-20 minutes for prayer]

Allow enough time to pray for each other. Pray that God will continue to use his Church to bring his kingdom to our cities, nations, and world.
