Spiritual Discipline of Studying Scripture

Speaker: Lindsay

Below are some study questions that will help you and your Life Group dig deeper into the spiritual discipline of Studying Scripture. Feel free to use just a few questions or to choose whichever ones best fit your group.

Bible Question:

Ask group members to read **Philippians 4:8**. Give them a few minutes with the passage and then ask them to share anything that stands out to them.

Application Questions:

1. We know the importance and power of God's Word and yet we have a hard time reading it. What keeps you from studying God's Word?
2. Returning to the same place to read scripture can strengthen your discipline. Where in your home do you go to read scripture or where would be a good place to start?
3. There is an importance of intentionality when it comes to studying the Word of God. What are the steps you can take starting this week?

Closing & Prayer: *[set aside 10-20 minutes for prayer]*

Allow enough time to pray for each other. Pray for greater awareness of the intentional steps we can take to build a discipline of reading scripture.
