Spiritual Discipline of Studying Scripture

Speaker: Lindsay

Below are some study questions that will help you and your Life Group dig deeper into the spiritual Discipline of Study Scripture. Feel free to use just a few questions or to choose whichever ones best fit your group.

Bible Question:

Ask group members to read **Romans 12:2**. Give them a few minutes with the passage and then ask them to share anything that stands out to them.

Application Questions:

1. Have you had seasons or are you in a season when you struggled with destructive thought patterns? Share what that was like for you.
2. God has a plan and a way for us to renew our minds. When we practice the discipline of studying scripture, truth fills our thoughts. Have you ever experienced scripture changing the way you think?
3. How have you done with reading scripture in your own life? What would you like your discipline to look like moving forward?

Closing & Prayer: *[set aside 10-20 minutes for prayer]*

Allow enough time to pray for each other. Pray for greater understanding of God's renewing power through the practice of reading scripture daily.
