

WORSHIP SONG LYRICS

Open Up The Heavens

Verse 1

We've waited for this day, We're gathered in
Your Name
Calling out to You
Your glory like a fire awakening desire
Will burn our hearts with truth
You're the reason we're here
You're the reason we're singing

Chorus

Open up the heavens we want to see You
Open up the floodgates a mighty river
Flowing from Your heart
Filling every part of our praise

Verse 2

Your presence in this place Your glory on our
face
We're looking to the sky
Descending like a cloud You're standing with us
now
Lord unveil our eyes

Bridge

Show us show us Your glory
Show us show us Your power
Show us show us Your glory Lord

Greater Than Great

Verse

Greater than great, stronger than strong
Higher than high, wiser than wise
Our God, He is above and beyond

Deeper than deep, wider than wide
With mercy that reaches, to the heavens so far
Our God, He is above and beyond

Chorus

Now unto the One who is able
To do more than we can ask or imagine
According to His power within us
He's the God who can do anything

Bridge

There is no one like our great God
There is no one like our great King
Bow before His majesty

There is no one like our great God
There is no one like our great King
We can trust His power and strength

We Worship You

We worship You, not for the things that You do
Not for the blessings You give
Though You've been faithful and true, with
Mercies brand new

Pre-chorus

But because there in no one above You
Just because You are our God

Chorus

We worship You, we worship You
We honor You, we honor You

We worship You, simply because You are God
Uncreated and holy, You are
The maker of all that there is, the judge over all

Pre-chorus

And because there in no one above You
Just because You are our God

Chorus

We worship You, we worship You
We honor You, we honor You

Vamp

All blessing, all honor, all glory, all power
All strength and all wisdom be
Unto the Lamb and unto the King

All blessing, all honor, all glory, all power
All strength and all wisdom be
Unto the Lamb and unto the King

The Alpha Omega, Beginning and Ending
Creator and Ruler of all that is seen
And ever will be

The giver of blessings, the source of all power
All wisdom is from You
Let every knee bow and everyone shout

All blessing, all honor, all glory, all power
All strength and all wisdom be
Unto the Lamb and unto the King

The Alpha Omega, Beginning and Ending
Creator and Ruler of all that is seen
And ever will be

Chorus

We worship You, we worship You
We honor You, we honor You

Hallelujah We Will Sing

On that white horse He'll ride, With blazing eyes of
fire
He'll judge and make things right, Turn all the dark
to light

When He splits the eastern sky, With heaven wings
I'll fly
And I will say good-bye, To these tears I've cried

Around His thrown of grace, We'll see Him face to
face
With those who've gone before, We'll be apart no
more

And we will hear the sound, As all are gathered
'round
Like peals of thunder loud, We will shout

Chorus

Hallelujah, hallelujah
Salvation and glory and power belong to our King
Hallelujah, hallelujah, hallelujah, we will sing

Our king of Kings we'll see, Faithful and True is He
Our faith at last in sight, No more fears and doubts
to fight

In heavens choir we'll be, With robes of majesty
From sin and death now free, We will sing!

Chorus

Hallelujah, hallelujah
Salvation and glory and power belong to our King
Hallelujah, hallelujah, hallelujah, we will sing

Bridge

What a day that will be
When all darkness finally to flees
When all bow and sing to the King

What a day that will be
When His glory we will see
When all bow and sing to the King

Chorus

Hallelujah, hallelujah
Salvation and glory and power belong to our King
Hallelujah, hallelujah, hallelujah, we will sing
